

Court of Appeals, State of Michigan

ORDER

People of MI v Terrell Albert Bishop

Docket No. 285483

LC No. 2008-219162-FH

Deborah A. Servitto
Presiding Judge

Mark J. Cavanagh

Kathleen Jansen
Judges

The Court orders that the motion to withdraw is DENIED because defense counsel has failed to sufficiently demonstrate that any appeal is wholly frivolous as required by MCR 7.211(C)(5). We note that counsel has not complied with MCR 7.211(C)(5)(a)(ii) by filing "a brief conforming to MCR 7.212(C), which refers to anything in the record that might arguably support the appeal, contains relevant record references, and cites and deals with those authorities which appear to bear on the points in question."
